

2016 Car Show Announcement

Many have asked if Lane Automotive is having the Car Show this year. **The answer is yes!**

As you may know, our warehouse expansion project has taken the space east of the original warehouse. **Because of the change in available parking space, some things will be different this year.**

Show Dates:

Cruise In - Friday May 27, 5:00pm to 8:00pm - No Open Header Cruise

Car Show - Saturday May 28, 9:00am to 3:00pm - No Chassis Dyno, No Noise-Fest

Changes For 2016

1. On Saturday, we will begin parking cars at 6:00am. **Please do not show up before 6:00am or try to self park.** Your cooperation will help the parking go smoother and keep us from having to ask that vehicles be moved.
2. The majority of show car parking will be in grass. If there is inclement weather, please check our website for parking conditions and updates.
3. There are no accommodations for RV/camper parking on-site or at any other parking lot designated for the event. Please reserve RV/camper parking with local campgrounds. Consider the KOA campground in either Coloma or Covert, MI for RV/camper parking/overnight stay.
4. There will be no on-site parking of tow vehicles or trailers this year. Please watch for signs directing you where you can unload. Parking for all tow vehicles will be off-site of the Car Show but within 1/4 mile of the event.
5. There is limited on-site spectator parking this year. Please follow the signs to designated spectator parking areas. For remote spectator parking lots, shuttle buses will be available.
6. The 2016 Car Show will be simpler to conserve space.
 - No Open Header Cruise - Friday
 - No Chassis Dyno - Friday or Saturday
 - No Noise-Fest - Saturday
7. Show car registration on Saturday will be from 7:00am to Noon
 - A Free T-shirt and dash plaque are available to the first 1,000 on-site registrants.

Terry McMillen and the Amalie Motor Oil's top fuel dragster will be on display Saturday.
